REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "Upon submission of the claim following discharge of the Claimant, the Carrier, SeaBright Insurance Company, failed to pay the correct amount per the Medicare Inpatient Fee Guidelines. Correct payment out of the total \$58,368.89 covered charges would have been 143% of the Medicare allowable or \$10,841.31, or \$15,503.07. However, only \$8,488.26 has been paid to date. Therefore, the claim remains underpaid in the amount of \$7,014.81. Thus, the Hospital/Requestor seeks payment of the full remaining balance due of \$7,014.81, plus interest."

Amount in Dispute: \$7,014.81

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving a medical fee dispute.
2. 28 Texas Administrative Code §134.404 sets out the guidelines for reimbursement of hospital facility fees for inpatient services.
3. 28 Texas Administrative Code §134.404(e) states that: "Except as provided in subsection (h) of this section, regardless of billed amount, reimbursement shall be:
 - (1) the amount for the service that is included in a specific fee schedule set in a contract that complies with the requirements of Labor Code §413.011; or
 - (2) if no contracted fee schedule exists that complies with Labor Code §413.011, the maximum allowable reimbursement (MAR) amount under subsection (f) of this section, including any applicable outlier payment amounts and reimbursement for implantables."
 - (3) If no contracted fee schedule exists that complies with Labor Code §413.011, and an amount cannot be determined by application of the formula to calculate the MAR as outlined in subsection (f) of this section, reimbursement shall be determined in accordance with §134.1 of this title (relating to Medical Reimbursement).
4. 28 Texas Administrative Code §134.404(f) states that "The reimbursement calculation used for establishing the MAR shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Inpatient Prospective Payment System (IPPS) reimbursement formula and factors as published annually in the Federal Register. The following minimal modifications shall be applied.
 - (1) The sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by:
 - (A) 143 percent; unless
 - (B) a facility or surgical implant provider requests separate reimbursement in accordance with subsection (g) of this section, in which case the facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by 108 percent."
5. The services in dispute were reduced/denied by the respondent with the following reason codes:

Issues

1. Can the maximum allowable reimbursement (MAR) amount for the disputed services be determined according to 28 Texas Administrative Code §134.404(f)?
2. Is the requestor entitled to additional reimbursement for the disputed services?

Findings

1. Review of the submitted documentation finds that the maximum allowable reimbursement (MAR) amount for the disputed services can be determined according to 28 Texas Administrative Code §134.404(f).
2. Reimbursement for the disputed services is calculated in accordance with 28 TAC §134.404(f)(1)(A) as follows: The Medicare facility-specific reimbursement amount including outlier payment amount for DRG 490 is \$10,841.31. This amount multiplied by 143% is \$15,503.07. The total maximum allowable reimbursement (MAR) is therefore \$15,503.07. The respondent previously paid \$8,488.26, therefore an additional amount of \$7,014.81 is recommended for payment.

Conclusion

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$7,014.81.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby **ORDERS** the respondent to remit to the requestor the amount of \$7,014.81 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
